

# Dov Yellin

## Video Editor

20+ years of experience editing video projects of all types, in ever-changing media formats, in-office and remotely, high pressure fast turn around and more leisurely passion projects, with a team and independently. I've collaborated with award-winning directors and producers to translate their vision to the screen, and I've worked independently as my own producer scripting projects from start to finish.

## RECENT WORK

---

### House-17

- XQ Institute: Sizzle Reel featuring program launches across the country. Worked remotely, interfacing with clients in CA and NH.
- Winowich x Sununu: NH Covid Vaccine PSA Behind-the-Scenes
